Real Estate (RE)

Courses

RE 3501. Real Estate Fundamentals. 3 Credit Hours.
A survey of real estate transactions, financing, marketing, land use control, and theories of urban development. Designed to acquaint the student with the language, principles, and laws that govern the real estate enterprise. The underlying concepts of land, property rights and the means, methods, and laws that govern the conveyance of these rights. NOTE: This course is required for the Real Estate Licensing examination.

Repeatability: This course may not be repeated for additional credits.

RE 3502. Real Estate Practice. 3 Credit Hours.
Required for the Real Estate Licensing examination, this course will explore the laws relating to the creation and transfer of interests in land including the Agreement of Sale, deeds and leases. It will also discuss the recording system for deeds, mortgages, title searches and title insurance, financing, the appraisal process, closing procedures for residential and commercial real estate, the Real Estate Settlement Procedures Act, listing agreements, and the licensing law for real estate brokers and salespersons. NOTE: This course is required for the Real Estate Licensing examination.

Repeatability: This course may not be repeated for additional credits.
