Academic Eligibility

Initial and continuing academic eligibility requirements for student-athletes relative to NCAA guidelines are stated below. Student-athletes participating in the sport of football may have additional academic requirements regarding eligibility for competition. Please direct questions regarding academic/athletic eligibility to the Athletics Certifying Officer at 215-204-2507.

1. Temple University is a member of the NCAA Division I (FBS) level of competition. This division of the NCAA requires all student-athletes first entering college to enroll and be certified by the NCAA Eligibility Center.

2. Student-athletes must be registered and attending a minimum of 12 semester hours. They may not withdraw from courses that would put them below 12 semester hours without prior approval from the Student-Athlete Academic Advisor or Athletics Certifying Officer.

3. Student-athletes must pass 6 credits each semester, 18 credits each academic year, accumulate 24 credit hours, and maintain a 1.8 cumulative grade point average after their first two full-time semesters of attendance.

4. Student-athletes must officially declare a degree program prior to the beginning of their fifth semester of full-time enrollment of college. In addition, the student-athlete must have completed at least 40% of the declared program and maintain a 1.9 cumulative grade point average before the first date of competition.

5. Student-athletes are required to complete 60% of their declared program and maintain a 2.0 cumulative grade point average before the first date of competition of their seventh semester. Student-athletes entering their ninth semester of full-time enrollment will need to meet 80% of a declared program and maintain a 2.0 cumulative grade point average.

6. Student-athletes must remain in “Good Standing” each semester as determined by Temple University.

7. Transfer student-athletes from two-year institutions may need to graduate with an Associate's degree before entering Temple University for immediate consideration for practice/"try-out" opportunity.

8. Initial and Transfer student-athletes are also bound by a 5-year clock that begins at the time of first full-time enrollment at any institution of higher education.
