COLLEGE OF EDUCATION AND HUMAN DEVELOPMENT

Learn more about the Master of Science in Education in Accomplished Teaching.

About the Program

The Master of Science in Education program in Accomplished Teaching enables working teachers, both relatively new practitioners and veterans, to develop new knowledge and to reflect on and analyze their own practices in order to move their teaching to a higher level. A combination of core courses and electives supports and advances those who have chosen to make classroom teaching their profession while allowing them to explore individual interests and additional certifications. Courses are designed to meet the immediate needs of students and to be directly applicable to students' home schools and communities.

Time Limit for Degree Completion: 5 years

Campus Location: Main, with some courses offered online

Full-Time/Part-Time Status: Students complete the degree program through classes offered after 5:30 p.m. and online. The degree program can be completed on a full- or part-time basis.

Job Prospects: Graduates are typically educators in current positions of teaching and leadership. This program is designed to enhance credentials and expand educators' knowledge and expertise.

Non-Matriculated Student Policy: Students may take up to, but not more than, 9 credits of graduate study before being admitted to the program. The credits transfer into the program, if the student is admitted. ***Students completing non-matriculated courses before being admitted to the program are NOT guaranteed admission.***

Financing Opportunities: Financial support opportunities may include scholarships, tuition remission and other financial aid such as grants, loans and federal work study.

Admission Requirements and Deadlines

Application Deadline:

Fall: March 1

Spring: November 1

Applicants should submit all required admissions documents by the application deadline to receive priority consideration for admission and financial support.

APPLY ONLINE to this graduate program.

Letters of Reference:

Number Required: 2

From Whom: Letters of recommendation should be obtained to provide insight regarding the applicant's academic competence. References from college/university faculty are recommended.

Bachelor's Degree in Discipline/Related Discipline: A bachelor's degree is required. A minimum GPA of 3.0 on a 4.0 scale is expected.

Teaching Certification: Submit a copy of a valid teaching certification from any state or demonstrate at least two years of successful practice in an educational setting.

Transcripts: Official undergraduate and graduate transcripts from all accredited institutions attended and/or from which credit was earned must be submitted.

International applicants must also submit an official document, including a course-by-course evaluation conducted by a NACES-accredited organization, that validates completion and conferral of a degree, diploma and/or certificate. While not required, international applicants are encouraged to submit transcript(s) to World Education Services (WES) for evaluation.

Statement of Goals: In 500 to 1,000 words, outline your interest in seeking a master's degree with a specific focus on the career to which you aspire, your interests, and your academic and job-related experiences that are relevant to the program.

Standardized Test Scores: Applicants who earned their baccalaureate degree from an institution where the language of instruction was other than English, with the exception of those who subsequently earned a master's degree at a U.S. institution, must report scores for a standardized test of English that meet these minimums:

- TOEFL iBT: 79
- IELTS Academic: 6.5
- PTE Academic: 53

Resume: Current resume required.
