

Tuition and Fees

Pennsylvania Residency Classification

Based on a student's domicile, Temple University has two tuition schedules. One is relevant for Pennsylvania residents, and the other for out-of-state residents and international students. For tuition purposes, Pennsylvania residency is determined in accordance with the criteria outlined in the "Pennsylvania Residency Guidelines (<http://www.temple.edu/registrar/documents/downloads/PennsylvaniaResidencyGuidelinesandApplication.pdf>)."

Questions about Pennsylvania residency, individual student status, change of domicile, or appeals for residency classification are answered on the website of the Office of the University Registrar.
