

Minor in Dance

The Minor in Dance is a 22 credit hour program available to undergraduate students in other departments and colleges. The minor provides a foundation in technique, followed by a small amount of specialization in dance theory. The course requirements consist of:

Technique Courses	14
Dance Production Course	1
Theory Courses	7
Total Credit Hours	22

A limited number of slots are available each semester, and an interview and audition are required to begin this program. Interested students are advised to contact the Dance Department via email at dance@temple.edu for further information.

Once accepted, students must follow the academic policies and procedures of the Dance Department for all dance courses. Minor credit will not be awarded for grades below a B- in Dance coursework. Upon graduation, a notation on the undergraduate transcript will indicate successful completion of the minor.

Course Limitations/Restrictions: All technique courses are repeatable two times only, which will allow a student to enroll in the same level of technique for two semesters thus ensuring opportunity to develop full competencies associated with that level. Theory courses are not repeatable, although students may enroll in courses other than those listed in the requirements with permission of the instructor.

Transfer Students: Students transferring large numbers of credits in dance who wish to complete the Dance Minor must secure an evaluation of these credits prior to beginning their course of study. All students in this category must complete a minimum of 9 credits of dance courses at Temple including one theory course and three technique courses.

Requirements

Technique Courses

Select from the following for a total of 14 credits:	14
