

# Leadership and Military Science Certificate

---

## Overview

The 14-credit **Certificate in Leadership and Military Science**, offered by the Department of Policy, Organizational and Leadership Studies, is designed for Temple University undergraduate students who participate in the United States Army Reserve Officer Training Corps (ROTC) program. These students have invested a large portion of time in and out of the classroom to prepare themselves to lead soldiers. This academic certificate along with their Army leadership experience makes them highly competitive and marketable to employers.

**Campus Location:** Main

**Program Code:** ED-LMS-CERT
