

# Business Basics Certificate

---

## Overview

The **Business Basics Certificate**, offered by the Fox School of Business and Management, is open to non-matriculated students only.

In addition to Analytical Reading and Writing, this certificate introduces students to some fundamental business courses. Courses in accounting, human resource management, legal/ethical reasoning, and statistics will be building blocks for those looking to develop or enhance strategic thinking in the business environment.

It is strongly recommended that students take the courses in the order listed within the requirements to build on their knowledge in a practical way.

These business foundation courses will apply toward the BBA if students matriculate into the degree program.

**Campus Locations:** Main and Online (some courses available in Japan and Rome)

**Program Code:** BU-BUSB-CR2+
