

Environmental Programs

Overview

Temple University offers two degrees in the Environmental Program: a Bachelor of Science degree that emphasizes scientific courses needed to understand environmental problems, and a Bachelor of Arts degree that emphasizes policy and societal impacts. The College of Science and Technology offers the Bachelor of Science in Environmental Science and the College of Liberal Arts offers the Bachelor of Arts in Environmental Studies. A minor also is offered through the College of Liberal Arts.

Requirements for the Bachelor of Science in Environmental Science

Please see the following College of Science and Technology *Bulletin* pages for details on the requirements for the Bachelor of Science degree in Environmental Science.

- Environmental Science BS with a concentration in Applied Ecology
- Environmental Science BS with a concentration in Climate
- Environmental Science BS with a concentration in Environmental Geochemistry
- Environmental Science BS with a concentration in Hydrology

Requirements for the Bachelor of Arts in Environmental Studies

Please see the College of Liberal Arts *Bulletin* page for details on the requirements for the Bachelor of Arts in Environmental Studies.

Requirements for the Minor in Environmental Studies

Please see the College of Liberal Arts *Bulletin* page for details on the requirements for the minor in Environmental Studies.
