

# Psychology Minor

## Overview

The **Minor in Psychology**, offered by the Department of Psychology and Neuroscience, introduces the student to a representative array of Psychology courses, prepares the student for the minimal course requirements for acceptance to most Psychology graduate schools, and results in formal university recognition on the student's official transcript.

Minors are awarded only at the time of completion of the bachelor's degree and cannot be awarded either as a stand-alone program of study or after completion of the first bachelor's degree.

**Campus Locations:** Main and Japan
