

# Sociology Minor

---

## Overview

The **Minor in Sociology** is offered by the Department of Sociology. Sociology is the study of human behavior in the context of the groups, organizations, institutions and societies in which it occurs.

Sociology majors and minors are encouraged to participate in the Sociology Undergraduate Majors and Minors Association (SUMMA), which hosts academic, community service and social events throughout the year. The department sponsors an annual student research conference where students can present their work.

Minors are awarded only at the time of completion of the bachelor's degree and cannot be awarded either as a stand-alone program of study or after completion of the first bachelor's degree.
