Bachelor of Arts in Art, Digital Media Concentration

Exclusively offered at Temple's Japan campus

The Bachelor of Arts in Art with a Digital Media concentration is a fine-art oriented course of study focusing on the use of the computer as a creative tool. This concentration helps students develop their artistic vision using new technology to focus on personal expression; it is not graphic design. Students in this concentration pursue a variety of projects designed to help them explore the boundaries between technology and studio art processes. Students interested in graphic design should investigate the B.F.A. in Graphic and Interactive Design on the Main Campus of Temple University.

Degree Requirements

The Bachelor of Arts degree may be conferred upon a student by recommendation of the faculty and upon the satisfactory completion of a minimum of 123 semester hours of credit with a minimum 2.0 cumulative GPA.

There may be minimum grade requirements of C- or better in required courses - students should refer to the DARS and their advisor.

Students who are seeking admission into the B.A. in Art degree program must review the requirements and procedures outlined on the TUJ web site: www.tuj.ac.jp/admissions/index.html (http://www.tuj.ac.jp/admissions).

University Requirements

All Temple students are required to complete the General Education (GenEd (http://bulletin.temple.edu/undergraduate/general-education)) curriculum.

• Study abroad for a summer or semester will satisfy the Global/World Society requirement.

• The GenEd Arts requirement is waived if all of the following courses are completed with a C- or better: ARTU 1101, ARTU 1201, ARTU 1401 and ARTU 1501. If the student changes majors before completing all four courses, s/he must complete a GenEd Arts course to satisfy the requirement for General Education.

• Students must complete successfully the second semester of a foreign language.

• Students must complete at least 15 semester hours in upper-level Liberal Arts courses.
