Painting, M.F.A.

TYLER SCHOOL OF ART (http://tyler.temple.edu/#/prospective)

About the Program

The graduate program in Painting is a two-year, 60-credit program leading to the Master of Fine Arts degree. The program emphasizes Painting as an ongoing discipline that is rooted in a rich history. It derives its vitality from what painters share with artists of the past in conjunction with the contemporary world. We are committed to providing our students with an understanding of the broad cultural and historical context in which art is made and experienced.

Time Limit for Degree Completion: 4 years

Campus Location: Main

Full-Time/Part-Time Status: Full-time status is required.

Interdisciplinary Study: The focus in Painting is augmented and balanced by specially designed graduate-level Art History courses and seminars; a required interdisciplinary seminar; and studio electives that ensure cross-disciplinary contact among students.

Study Abroad: The graduate student in Painting can elect to spend one of the two years in the program at Temple's campus in Rome, Italy. Since space is limited, faculty approval is required. Students can also elect to spend a summer in Rome or with the Crafts Department program in Scotland.

Accreditation: This degree program is accredited by the National Association of Schools of Art and Design.

Areas of Specialization: We encourage independent artistic exploration and development in an atmosphere of free and open exchange between students and a professionally active faculty. Our aim is to produce artists who will be creatively active throughout their lives, enriching their communities in many different capacities.

Job Prospects: The M.F.A. program prepares graduates for careers as professional artists, craftspersons, designers, and educators.

Non-Matriculated Student Policy: M.F.A. courses are restricted to matriculated students.

Financing Opportunities: The principal duties of a Teaching Assistant (TA) or Academic Intern (AI) include assisting faculty members in preparing and teaching undergraduate classes.
