

Ophthalmology (OPHT)

Course information contained within the Bulletin is accurate at the time of publication in July 2024 but is subject to change. For the most up-to-date course information, please refer to the Course Catalog.

OPHT M164. Intro to Ophthalmology. 0 Credit Hours.

Course Attributes: M5

Repeatability: This course may not be repeated for additional credits.

OPHT M322. Career Exploration of Ophthalmology. 0 Credit Hours.

This elective will allow students to gain exposure to the specialty and the types of health conditions experienced by patients seen by providers in this specialty as healthcare team members.

Repeatability: This course may be repeated for additional credit.

OPHT M620. Ophthalmology. 0 Credit Hours.

This clinical elective will expose students to the basics of the ocular examination, with emphasis on the use of the ophthalmoscope. Students will develop the skills necessary to recognize normal and abnormal eye findings, as well as those systemic diseases that manifest in the eye. Students learn the basics of the management of eye trauma, other ocular emergencies, motility disorders, central nervous system eye findings, common external diseases, and retinal diseases.

Course Attributes: M2

Repeatability: This course may not be repeated for additional credits.

Pre-requisites: Minimum grade of P in INTM M301, OBGY M320, PEDI M330, PSYM M340, SURG M350, NEUR M370, and FAMP M360.

OPHT M630. Advanced Ophthalmology. 0 Credit Hours.

This course is for students applying for ophthalmology residency. Students will be assigned to work closely with 1-2 faculty in the clinical setting.

Co-requisites: OPHT M322, OPHT M620.

Repeatability: This course may be repeated for additional credit.
