

# Urology (UROL)

---

Course information contained within the Bulletin is accurate at the time of publication in July 2024 but is subject to change. For the most up-to-date course information, please refer to the Course Catalog.

**UROL M290. Intro Clinical Urology. 0 Credit Hours.**

**Course Attributes:** M5

**Repeatability:** This course may not be repeated for additional credits.

**UROL M391. Career Exploration of Urology. 0 Credit Hours.**

This elective will allow students to gain exposure to the specialty and the types of health conditions experienced by patients seen by providers in this specialty as healthcare team members.

**Repeatability:** This course may be repeated for additional credit.

**UROL M790. Urology. 0 Credit Hours.**

In this clinical elective, students rotate at several hospitals and ambulatory offices to gain exposure to common urologic evaluations and treatments. They will spend time in the OR, outpatient, and inpatient settings.

**Course Attributes:** M2

**Repeatability:** This course may not be repeated for additional credits.

**Pre-requisites:** Minimum grade of P in INTM M301, OBGY M320, PEDI M330, PSYM M340, SURG M350, NEUR M370, and FAMP M360.

**UROL M890. Urology Sub-Internship. 0 Credit Hours.**

The required Sub-Internship (Sub-I) core course will provide students with the opportunity to perform the clinical duties of a urology intern with direct supervision. Students will take primary responsibility for assigned patients, will prioritize and complete tasks in a logical and efficient order, and will apply evidence-based medicine (EBM) principles in the diagnosis and management of patient care, all under direct supervision. Students will assist in relevant procedures for their assigned patients under the direct supervision of a resident, fellow, or attending.

**Repeatability:** This course may not be repeated for additional credits.

**Pre-requisites:** Minimum grade of P in INTM M301, OBGY M320, PEDI M330, PSYM M340, SURG M350, NEUR M370, and FAMP M360.
