

About This Bulletin

The Graduate Bulletin is a presentation of specific information about the graduate academic programs offered under the umbrella of Temple University's Graduate School. This version of the Graduate Bulletin has a release date of July 1, 2018 for the 2018-2019 academic year.

Although every effort is made to provide complete and accurate information in the Graduate Bulletin, the program and certificate descriptions are announcements only and in no way serve as a contract. As new programs go into effect and programs are modified, the Graduate Bulletin is updated.

If a program of interest cannot be found among the programs delineated and described in the Graduate Bulletin, it may be regarded as a professional degree program at Temple University. Information on professional programs can be found by visiting the appropriate school or college website of Kornberg School of Dentistry (<http://dentistry.temple.edu>), Beasley School of Law (<http://www.law.temple.edu>), the Lewis Katz School of Medicine (<https://medicine.temple.edu>), the School of Pharmacy (<http://pharmacy.temple.edu>), and the School of Podiatric Medicine (<http://podiatry.temple.edu>).
