

Post-Master's Certificate: Health Systems Leadership

BARNETT COLLEGE OF PUBLIC HEALTH

About the Program

The (HSL) Certificate Program is designed for registered nurses (RNs) that hold a graduate degree (masters or doctoral) including but not limited to nurse managers, nurse supervisors, case managers, advanced practice nurses (APRNs), nurse educators, and nurse executives.

The HSL Program aims to:

- Develop systems-thinking leaders capable of managing change in dynamic healthcare environments.
- Strengthen the leadership pipeline by enhancing nurses' competencies in operations, quality improvement, executive leadership, and interprofessional collaboration.
- Support organizations in achieving the Quadruple Aim: better outcomes, lower costs, improved patient and provider experience.

Time Limit for Certificate Completion: 2 years

Campus Location: Main

Full-Time/Part-Time Status: The graduate certificate may be completed on a part-time basis. NOTE: International students may not be eligible to apply for a student visa based on admission to the certificate program. Please contact the CPH Office of Admissions for more information.

Admission Requirements and Deadlines

Application Deadline:

Fall and Spring admissions are on a rolling basis. Interested students should contact the College of Public Health for permission to enroll in coursework.

Laptop: All incoming students in the College of Public Health are required to have a laptop. Academic programs in the college are technology intensive. They incorporate statistical and database analyses; utilize specialized tools for athletic training, kinesiology and physical therapy; stream audio and video for communication sciences; facilitate online interactive counseling for social work; and foster clinical experiences and online assessments. The laptop requirement enables the College of Public Health to improve opportunities for active learning and provide greater access to specialized software and required tools in and out of the classroom, better preparing students for the workforce. Learn more about device specifications and suggested vendors. Students can use excess financial aid (i.e., funds that are reimbursed after all tuition and fees are paid) to meet student needs, including the purchase of a laptop. Scholarships may also provide funding.
