

Artificial Intelligence Management MS

FOX SCHOOL OF BUSINESS AND MANAGEMENT

About the Program

The Fox School of Business and Management offers the MS in Artificial Intelligence Management (MS AIM) degree program for those who want to lead AI initiatives within business organizations. The curriculum equips rising professionals with both technical AI competency and the business acumen needed to drive AI-powered transformation, combining hands-on knowledge of AI systems with strategic thinking, ethical governance, and change management skills.

Time Limit for Degree Completion: 6 years

Campus Location: Online

Full-Time/Part-Time Status: The degree program is completed on a part-time basis.

Affiliation(s): Research interests of Fox faculty are supported by numerous centers and institutes throughout the Fox School and Temple University.

Accreditation: The MS in AI Management is accredited by the Association to Advance Collegiate Schools of Business (AACSB International).

Job Prospects: The Fox Center for Student Professional Development (CSPD) provides students with career coaching and professional development resources that support their job search.

Non-Matriculated Student Policy: Students with an undergraduate GPA of 3.0 or higher may take classes on a non-matriculated basis. Non-matriculated students can take a maximum of 9 credits before being required to matriculate in the program. For more information and an application, contact the Fox Graduate Admissions Office.

Financing Opportunities: Citizens and permanent residents of the United States are considered domestic students and are typically eligible for federal student loans and alternative loans through private lenders. The Fox School grants 5% tuition scholarships to Temple University alumni admitted to the program. The program also offers merit-based scholarships to eligible admitted students. Contact the Fox Graduate Admissions Office for information.

Letters of Reference:

Number Required: 1

From Whom: Professional references from an immediate supervisor, current or past, are preferred. Academic references are acceptable.

Bachelor's Degree in Discipline/Related Discipline: The equivalent of a four-year U.S. baccalaureate degree from an accredited university or college is required. For three-year degrees, mark sheets must be evaluated by WES or another NACES organization.

Statement of Goals: Essay prompts can be found in the online application portal.

Standardized Test Scores:

GRE/GMAT: Scores may be requested based on the applicant's academic and/or professional background. Candidates with an undergraduate GPA below 3.0 are required to submit valid GMAT or GRE test scores. Consult an admissions advisor with any questions.

A test score of academic English, such as the TOEFL, IELTS, PTE Academic, or Duolingo test, is required if you have not earned a bachelor's or graduate (master's or doctoral) degree from a U.S. institution. Test scores must be reported by the testing service to Temple University within two years of the test date.

- TOEFL iBT
 - On or after January 21, 2026 – 4.5
 - Before January 21, 2026 – 79
- IETLS – 6.5
- PTE Academic – 53
- Duolingo – 110

Waiver Eligibility - Note that if you earned your undergraduate or graduate degree from a country in which English is a commonly used language, this requirement may be waived. The admissions department automatically reviews for waiver eligibility at application submission with review of your academic history.

Resume: Current resume or CV is required.

Interview: Candidates are invited to interview in person or virtually. Interviews are required on a case-by-case basis.

Optional Essay: Prompts for this optional essay can be found in the online application portal.

Transfer Credit: Upper-level graduate credits from an AACSB-accredited graduate business program, but not previously applied to a conferred degree, may be transferred into the MS program. The credits must be part of the required degree program at Temple University. To be transferred, the grade must be a "B" or better. The Admissions Committee makes recommendations for transferring credits to the department chair. The maximum number of credits a student may transfer is 6.
