Graduate Certificate: Innovation Management and Entrepreneurship

FOX SCHOOL OF BUSINESS AND MANAGEMENT

Learn more about the graduate certificate in Innovation Management and Entrepreneurship.

About the Certificate

The graduate certificate in Innovation Management and Entrepreneurship is designed such that students have an efficient path through the coursework. The required courses are important for both entrepreneurs and intrapreneurs, i.e., those working within an organization.

The key learning goals for the graduate certificate in Innovation Management and Entrepreneurship include:

• learn to leverage divergent and convergent thinking techniques to creatively solve problems,
• design and evaluate business models and business model innovations,
• understand how to make innovation central to strategy,
• learn to identify and test assumptions as well as unknowns, and
• identify entrepreneurial opportunity.

Full-Time/Part-Time Status: The graduate certificate can be completed on a part-time basis. NOTE: International students may not be eligible to apply for a student visa based on admission to the certificate program. Please contact the Fox School's admissions advisor for more information.

Admission Requirements and Deadlines

Students are accepted into the certificate program in both the Fall and Spring terms.

APPLY ONLINE to this Fox graduate program.

Bachelor’s Degree: A baccalaureate degree from an accredited university or college is required. Applicants who earned their baccalaureate degree from an institution where the language of instruction was other than English, with the exception of those who subsequently earned a master’s degree in a country where the language of instruction is English, must report scores for a standardized test of English.

Statement of Goals: In 250 words or less, describe your goals and motivations for pursuing this certificate program.

Resume: Current resume or CV is required.
