

Graduate Certificate: Management Consulting

FOX SCHOOL OF BUSINESS AND MANAGEMENT

Learn more about the graduate certificate in Management Consulting.

About the Certificate

Does the idea of helping organizations solve a variety of business challenges excite you? Learn to solve unstructured business problems through the graduate certificate in Management Consulting. Whether interested in becoming an internal consultant, working for a dedicated consulting firm, or hanging out your own shingle as an independent consultant, you develop the hard and soft skills necessary to be successful in helping public, private and nonprofit institutions solve problems and exploit opportunities.

Courses within the certificate program are experientially focused and are taught by consultants currently practicing within industry. This model ensures you are receiving hands-on expertise and up-to-the-minute knowledge. Students also have the option to transfer credits earned into the Fox MBA or one of our specialized master's programs.

Full-Time/Part-Time Status: The graduate certificate can be completed on a part-time basis. NOTE: International students may not be eligible to apply for a student visa based on admission to the certificate program. Please contact the Fox School's admissions advisor for more information.

Admission Requirements and Deadlines

Students are accepted into the certificate program in both the Fall and Spring terms.

APPLY ONLINE to this certificate program.

Bachelor's Degree: A baccalaureate degree from an accredited university or college is required. Applicants who earned their baccalaureate degree from an institution where the language of instruction was other than English, with the exception of those who subsequently earned a master's degree in a country where the language of instruction is English, must report scores for a standardized test of English.

Statement of Goals: In 250 words or less, describe your goals and motivations for pursuing this certificate program.

Resume: Current resume or CV is required.
