Painting, M.F.A.

TYLER SCHOOL OF ART AND ARCHITECTURE (https://tyler.temple.edu/#/prospective)

About the Program

The Painting program at the Tyler School of Art and Architecture is a two-year, 60-credit program leading to the Master of Fine Arts (M.F.A.) degree. The program, which is ranked among the top 10 M.F.A. programs in the nation by U.S. News & World Report, offers students access to unparalleled facilities and strong, personal mentorship.

With eight faculty members devoted to 16 M.F.A. students, Tyler Painting provides something that few other top programs can give their students: substantial, engaged, one-on-one access to a diversity of painters and thinkers. The breadth and interdisciplinary nature of the Tyler approach is reinforced by exposure to practicing faculty artists in the school’s other programs and its visiting artist and lecture series, which brings leading minds to Tyler to interact with graduate students.

Tyler M.F.A. students take advantage of the school’s location in Philadelphia, a vibrant art center and affordable home base near New York and Washington, D.C., to grow their creative practices. Graduates join an alumni community that includes highly accomplished and influential artists and teachers.
