Student Activities enhances the student experience by developing and empowering students, creating opportunities for meaningful interpersonal relationships, supporting student organizations, and providing fun, engaging programs for the diverse campus community.

Student Organizations
One of the best ways to get involved is to become a member of our registered organizations! Student Activities works to support and empower student organizations as they enhance campus culture with their events, ideas and leadership. The staff aims to serve as a resource and provide a path of development for students outside the classroom. With groups devoted to everything from cultural groups to competitive dance to community service, chances are we have a registered organization for you. Our office provides these organizations with meeting spaces, financial management, programming assistance, and anything else they need to contribute to student life at Temple University. Take a look at our registered student organizations and their events by visiting owlconnect.temple.edu.

Fraternity and Sorority Life
Through fraternity or sorority (https://studentactivities.temple.edu/fraternities-sororities) involvement, students gain an opportunity for leadership development, academic achievement, community engagement, and friendship for life. The creeds and rituals that guide each individual organization are based on values that foster an understanding of community and social responsibility. Each chapter falls under the umbrella of the Interfraternity Council, the Multicultural Greek Council, the National Pan-Hellenic Council, and the College Panhellenic. Student Activities serves as a liaison between recognized fraternities and sororities and the greater Temple University community. We are dedicated to the holistic development of students throughout their fraternal experience and welcome you to explore the possibilities offered by involvement in fraternity and sorority life at Temple University.
