Pennsylvania Act 46 of 2014 requires public institutions of higher education in Pennsylvania to provide veteran students, as defined in the Act, with preference in course scheduling. Non-compliance may be reported to the Pennsylvania Department of Education by submitting the Higher Education Student Complaint form found at: www.education.pa.gov.

PA Act 11
Pennsylvania Act 11, which became law July 1, 2015, mandates Temple University to charge the in-state tuition rate to out-of-state students living in Pennsylvania and using their GI Bill benefits under chapters 30, 31, 33, 35 and sections 1606 and 1607. Eligible students will have their student account adjusted to reflect the in-state tuition rate. Temple will also review the financial aid package and make any necessary adjustments based on the in-state tuition rate.

Veterans Certification Process
Veterans may enroll as full-time or part-time students; however, benefits are based on enrollment status. To begin the process to use your benefits, it is imperative that you complete the steps that follow before the beginning of the first semester in which you are enrolled at the university, in order to receive your benefits in a timely and accurate manner:

• Write your TUID on the front of your Certificate of Eligibility.
• Upload the Certificate of Eligibility and/or other documents in the Veteran Benefit Declaration page in TUportal.
• If you are receiving Chapter 35 DEA benefits, you must also write the social security number of the parent who transferred benefits.

*NOTE - If you do not submit your certificate of eligibility in advance, it can negatively affect the timely and accurate processing of your program benefit payments.

If you do not have a Certificate of Eligibility, you can obtain a copy by contacting the Veterans Administration at www.benefits.va.gov/gibill/ (https://www.benefits.va.gov/gibill), click on "Ask a Question" or call 1-888-GI-Bill1.
If you would like to use your GI Bill® benefits for a term, you must be registered for classes. Go to the Veteran Benefit Declaration page by clicking on the Veterans Declaration link in the Registrar Channel on TUportal.

- On the Veteran Benefit Declaration page, select the term, select "yes" under process benefits, provide your credit hours and click "save declaration."
- This process notifies the certifying official that you are ready to have your benefits processed for that term.
- **You must submit a declaration to use your benefits!**

If you do not want to use your GI Bill® benefits for the term, go to the Veteran Benefit Declaration page, select the term, select "no" under process benefits and click "save declaration."

The Veterans Coordinator in the Office of the University Registrar is available to answer questions concerning VA benefits at 215-204-7358 or OurVeterans@temple.edu.

Tuttleman Counseling Services (TCS) provides mental health services to Temple's student population.
