Bookstore

There are three Temple University Bookstore locations. Each store stocks the required books and supplies for the campus it serves. Course materials may be purchased through the bookstore's web site for home delivery or pick-up in store. A student's booklist is accessible via a link on the Student Roster in Self-Service Banner. The majority of textbooks may also be rented instead of purchased. Price Matching to various on-line retailers is also available. Please contact the store for more details. In order to maximize the number of used books available to students, the bookstore buys back from students books at the highest possible prices throughout the year. In addition to housing required course materials, all stores feature clothing, souvenirs, and giftware imprinted with the Temple name. Graduation rings can be ordered at any time. Academic regalia are available in the months preceding graduation.

You will also find a large selection of snacks, soft drinks, greeting cards, gift-wrap, posters, and health and beauty items.

During the first weeks of classes, store hours are extended at all locations. See signs posted at each location for specific hours during rush periods and semester breaks.

During the summer and semester breaks, store hours may vary. Visit the bookstore web site for more details.

Police officers are visible patrolling the campus and surrounding vicinity on foot, on bike and in vehicles. Security officers work closely with police officers to monitor the patrol area and are on bicycles, as well as stationed in all university buildings to monitor access and provide assistance to staff, students, and guests. In our communication center, dispatchers coordinate operations in responding to service requests and emergency calls using state-of-the-art technology and a directly integrated system with the Philadelphia Police 911 system.

Residence halls on Main campus provide an opportunity to extend your learning experiences beyond the classroom, library, and laboratory.

Living on campus provides opportunities for you to intentionally explore yourself, others, and the world around you. University Housing & Residential Life works to create living environments in which each student is encouraged to develop as an individual in an atmosphere that promotes emotional, social, and intellectual growth. In addition, University Housing & Residential Life is committed to creating community-living environments that value and promote an appreciation for diversity of cultures, lifestyles, and people. Campus leaders in the residence halls want to get to know you, help connect you to Temple, and connect you to the community around you.

Please check the University Housing & Residential Life web site for additional information on residential services available. The University Housing & Residential Life web site also provides online resources to assist with locating off-campus housing.

All students are also able to purchase meal plans. All new students living in residence halls are required to purchase meal plans. For more information, visit the Dining and Meal Plan section of the housing web site. Additional information is available in the Temple Culinary Services section below and on our food service provider's web site.

Temple Culinary Services offers a variety of meal plans and dining locations to accommodate every student's unique schedule and dining needs.

Meal Plans

A campus meal plan will help keep you focused on the things that matter most, like your coursework. It will also make your experience easier without having to plan, shop, cook, and clean up after every meal. Signing up in the beginning of the semester through the TU Portal gives you peace of mind knowing you have a plan in place.

Meal plans offer access to J&H and Morgan dining halls; they also allow you to dine in retail locations like Chick-fil-A®, Panda Express®, Saladworks®, Starbucks®, and more!

Meal plans offer several functions to give you flexibility—no matter where you get hungry on campus: *Board Swipes* for Dining Halls, *Meal Equivalencies* for select retail locations, and *Diamond Dollars* to cover additional balances.

What kind of meal plans are available?

- **Meals per Week Plans** offer a set number of meals to be used each week during the semester.
- **Block Plans** provide a set number of meals to be used the entire semester.

For more information about our meal plans options, visit temple.campusdish.com/mealplans.

Am I required to have a meal plan?

If you are a first year student living in on-campus housing, or a transfer student residing on-campus, you are required to purchase a minimum meal plan of 10 meals per week.

Temple University has a variety of parking options at its Main, Health Sciences Center, and Ambler campuses. For its Center City campus, Temple has negotiated parking discounts with nearby garages.

Semester Parking is available for students who park frequently and/or need overnight parking.

Commuter Parking is best for students who need daily parking but do not need overnight access. These permits provide access to one assigned facility Monday–Friday 7:00 AM to 10:45 PM and are \$266 per semester. We also offer 7-day commuter permits, which provide weekend parking with the same time constraints and are \$306. Commuters can park in the Diamond Street Lot, Norris Street Lot, Temple Towers Lot, Bell Garage, Liacouras Garage or Montgomery Garage on Main Campus, or the Battersby Lot at the Health Sciences Center.

Overnight Parking is available for students who need 24/7 parking access. These permits are \$426 per semester and are assigned to the Tyler Lot, Temple Towers Lot, Bell Garage, Liacouras Garage, or Montgomery Garage on Main Campus, or the Carlisle West Garage at the Health Sciences Center.

Flex parking is available for students who park infrequently.

Flex Parking is our pay-per-entrance option, best for students who come to campus no more than twice a week. These parkers are assigned to either the 15th Street Lot, Norris Street Lot, the Liacouras Garage, or the Montgomery Garage. Flex parkers pay \$12 per entry, which is automatically deducted from their TU Parking Account when they swipe or tap their Temple OWLcard or use the mobile OWLcard. Funds must be added to the parking account prior to use. Attempting to park without sufficient funds on the parking account will result in the assessment of the daily rate. Funds can be managed on the TU Parking Account site.

Please note: Flex parkers must renew their parking semiannually in July and January. Parking Services will notify students prior to expiration.

Ambler Campus parkers must purchase a permit.

Ambler students have the option to pay \$95 for the entire academic year (September through August) or \$65 per semester. Students with semester parking at Main or HSC campuses receive complimentary parking at Ambler campus. However, students with only Ambler permits will need to register for Flex parking if they need to park at Main or HSC campuses occasionally.

Parking Guidelines

Your parking permit and Temple OWLcard (or mobile OWLcard) are the mechanisms that control access to your assigned parking area. Failure to display your permit may result in a citation. Availability of areas and parking assignments are subject to change during summer, holidays, inclement weather, and some special events.

You can sign up for parking by visiting the TU Parking Account.

Visitor Parking

Visitors to Main Campus have **hourly parking** options in the Montgomery Garage or the Cecil B. Moore Lot for \$6 per hour, or the Tuttleman Lot for \$7 per hour. Additionally, **daily parking** is available in the Liacouras Garage, Diamond Street, Norris Street and Temple Towers Lots when you pull a ticket and pay upon exit. The 15th Street Lot requires you to pay upon entrance to the parking attendant.

We pride ourselves in providing affordable, convenient, and secure parking to the Temple community, and look forward to having you as a customer!

All parking rates are subject to change. Parking Services reserves the right to close facilities due to underutilization and reassign parkers as needed.

Shuttles transport students, faculty and staff members within Temple University's Main Campus patrol zone (via Flight) and among Main Campus, the Health Sciences Center (HSC) Campus, and Ambler Campus.

Flight is Temple's nighttime fixed-route shuttle loop service. Flight-branded shuttles circulate throughout the areas within and surrounding the Main Campus patrol zone, and pick up and drop off students, faculty and staff members at each of its over 40 stops. The shuttles arrive approximately every 15 minutes at each stop. Shuttles operate 7 days per week from 6 p.m. to 2 a.m. from August 26, 2023 through the end of the spring semester. The service continues to operate in a modified form during university breaks. More information can be found at campusoperations.temple.edu/parking-transportation/shuttle-services/flight.

Temple University also provides daily shuttle transit services to and from Ambler Campus, Health Sciences Center and Main Campus during the fall and spring semesters, but there is no service during the fall break, winter break, spring break or during the summer. The service is offered at no charge to all students, faculty and staff of the University with a valid Temple ID. All scheduled departures, in addition to the Main and Ambler Campuses, stop at the Health Sciences Center on Broad Street. Please check the Shuttle Services web page for a schedule of shuttle services for each route. Information on these schedules may also be obtained at the Office of Parking Services or Campus Safety Services.
