

Health Sciences Center

Step onto the Health Sciences Center and be immersed in the future of health care. Home to four of Temple's medical-related schools and colleges, as well as the nationally ranked Temple University Hospital, the Health Sciences Center is a hub of academic, clinical and research activities.

Programs and services of the Lewis Katz School of Medicine, the Maurice H. Kornberg School of Dentistry, the School of Pharmacy, the College of Public Health, and Temple University Hospital are at the Health Sciences Center. Buildings and facilities, covering some 20 acres, extend to either side of North Broad Street from Allegheny Avenue to above Tioga Street. Public transportation to the campus includes SEPTA bus routes 4 and 16 on Broad Street, the Broad Street subway (Allegheny stop to the south, Erie stop to the north); the North Broad and the North Philadelphia stations of the Regional High-Speed transit lines are between the Health Sciences Center and Main Campus.

Each of the schools and colleges located at the Health Sciences Center offers student and academic services. For a specific program or service of the undergraduate schools, refer to the appropriate section of this *Bulletin*, or inquire at the Office of the Dean. For information about the schools of Medicine and Dentistry, contact their respective dean's offices.

Housing and Dining Options

Residential housing is provided on the Main Campus and is accessible by a Temple University shuttle bus or convenient public transportation. Dining options are available at the Student Faculty Conference Center, the hospital cafeteria, and the Main Campus dining centers.

Podiatric Medicine

The School of Podiatric Medicine is located on its own campus at 8th and Race Streets. This campus was the first-ever developed specifically for podiatric education and treatment. The complex includes student housing, educational facilities and the comprehensive Foot and Ankle Institute, all just steps away from Philadelphia's historic and entertainment attractions.
