

Topical Studies (TS)

Courses

TS 1185. Field Study - Extern. 2 to 3 Credit Hours.

Students participate in a field experience that varies according to interests and the number of credits the student wishes to pursue. Students in some colleges (SCT, for example) receive no credits for this experience. In the classroom component, students participate in discussions regarding career selection, search skills, resume writing and critiques, and interviewing skills. The field study may take place during a specific time period (Spring Break, the first two weeks of January, during an entire term) which is noted on the course at the time of registration.

Repeatability: This course may be repeated for additional credit.
