The Secondary Education program offers specializations that prepare students to earn an Instructional I Certificate that will authorize them to teach in one of the following content areas:

Specializations offering grades 7-12 certification

- English
- Mathematics
- Social Studies

Specialization offering K-12 certification

- World Languages
 - Chinese
 - French
 - German
 - Italian
 - Latin
 - Spanish

Students in Secondary Education complete coursework in both education and in their content areas.

(Science and mathematics certifications are also available in the TUteach program, a joint program offered through the College of Science and Technology and the College of Education and Human Development.)

For specific details on each specialization, including suggested four-year academic plans, click on one the following links: [English](#), [Mathematics](#), [Social Studies](#), [World Languages](#).

GPA requirements:

- In order to maintain good standing in Secondary Education, students must maintain a 3.0 cumulative grade point average and a 2.0 grade point average in the course work in their content areas.
