

Corporate Risk Management Minor

Overview

Offered by Department of Risk, Actuarial Science, Healthcare Management, and Legal Studies, the **Minor in Corporate Risk Management** is open to all students, with the exception of Risk Management and Insurance majors. The minor is designed for students majoring in other disciplines such as accounting, criminal justice, earth and environmental science, finance, or philosophy who seek exposure to risk management principles in a corporate environment. Students will learn how to analyze and treat risk (including risk mitigation and risk financing) as it arises in their business and personal pursuits.
