

# Finance Minor

## Overview

The **Minor in Finance**, offered by the Department of Finance, allows students to obtain a deeper understanding of financial principles and learn about their applications to various problems faced by decision-makers in the corporate, financial and government sectors. It develops marketable skills and expands job opportunities for non-finance majors.

The minor is open to all students.

**Campus Locations:** Main and Online

<sup>1</sup> Requires permission of the instructor.

- Open to business and non-business students.
- Four of the seven prerequisite courses and three of the four minor courses must be taken at Temple.
- Minimum grade of C- is required in the prerequisite courses.
- Minimum grade of C is required in the FIN courses.
- A grade point average of 2.0 is required in the minor courses.
- Except for FIN 3507, the minor courses cannot be used to meet the minor requirements if already used to meet requirements for a major or different minor or certificate.
- Courses for the minor must be completed prior to graduation; if completed, the minor will be recorded on the final transcript upon graduation.
- To declare or rescind this minor, visit the Fox School of Business and Management.

Interested students should discuss with their home college advisors how the courses in the minor will fit into their overall degree plan and are strongly encouraged to declare the minor early in their academic career.
