

Healthcare Management Minor

Overview

Offered by Department of Risk, Actuarial Science, and Legal Studies, the **Minor in Healthcare Management** is open to all students. This minor develops value-added skills for students who aim to understand the structure, policy, finance and strategy/operations issues of healthcare organizations.

Campus Location: Main

Requirements

- **Three courses required** (all three courses must be taken at Temple University):

Code	Title	Credit Hours
Required Courses		
HCM 3501	Introduction to Health Services Systems (Fall 7A only)	3
HCM 3502	Healthcare Financing and Information Technology (Fall 7B only)	3
HCM 4596	Healthcare Quality and Risk Management (Spring only)	3
Total Credit Hours		9

- Courses must be taken in sequence, not concurrently, so a minimum of three semesters is required to complete this minor.
- A grade point average of 2.0 in the minor is required as well as a minimum grade of C in each course unless otherwise specified.
- Health Economics (ECON 3507) is recommended but not required as an additional course.
- Risk Management majors who complete the Healthcare track are not eligible for the minor.
- Courses cannot be used to meet minor requirements if already used to meet the requirements for a major or a different minor or certificate.
- Courses for the minor must be completed prior to graduation; if completed, the minor will be recorded on the final transcript upon graduation.
- HCM 3501 and HCM 3502 are only offered in Fall 7A and Fall 7B terms, respectively; HCM 4596 is only offered as a 14-week course in Spring term.
- To declare or rescind this minor, visit the Fox School of Business and Management.

Interested students should discuss with their home college advisors how the courses in the minor will fit into their overall degree plan and are strongly encouraged to declare the minor early in their academic career.
