Minor in Lesbian, Gay, Bisexual & Transgender (LGBT) Studies

Lesbian, Gay, Bisexual and Transgender Studies analyzes gender, sexuality, and sexual orientation as they are understood by various disciplines and in cross-cultural perspectives. The minor, which is housed under the Gender, Sexuality, and Women’s Studies Program, enables students to become familiar with concepts, theories, history, literature, and socio-political issues concerning the LGBTQ community. It also gives students an opportunity to examine and think critically about the intersections of sexuality, sex, and gender and become aware of the diversity of attitudes about sexuality in different cultures and historical eras.
