

Minor in Geography and Urban Studies

The minor in Geography and Urban Studies is composed of 18 credits and is open to students in all majors. Students are required to take one of the Gateway courses, either GUS 2001 or GUS 2002. Students also take 5 elective courses: one at any level and four at the upper level 2000+, which they can use to focus on their own particular interests.

Requirements

Code	Title	Credit Hours
Introductory course		3
Select one of the following:		
GUS 2001	Cities	
GUS 2002	Space and Place	
Electives ¹		15
Select one Geography & Urban Studies elective - any level		
Select four Geography & Urban Studies electives numbered 2000+ ²		
Total Credit Hours		18

¹ No electives may double-count between the Geography & Urban Studies minor and the Environmental Studies major or minor.

² One cognate course can substitute for an elective with written permission from the faculty advisor.
