

# Linguistics Certificate

## Overview

The **Certificate in Linguistics**, offered by the Department of Communication Sciences and Disorders, provides students with a foundation in the science of language while addressing such pressing issues as the similarities and differences between human and machine languages as well as diversity and bias related to language and dialect. This program engages students in a field that enhances analytical abilities and critical thinking in the context of a complex and changing world.

**Campus Location:** Main

**Program Code:** HP-LING-CERT
