## **The following are academic units within the university:**

Division of University Studies (<http://bulletin.temple.edu/undergraduate/university-studies>)

University College (<http://bulletin.temple.edu/undergraduate/university-college>)

## **How to find Academic Plans**

To find academic plans for a specific program, go to the Academic Programs Chart (<http://bulletin.temple.edu/academic-programs>) and select the hyperlinked degree next to the program name.

An alternate route to academic plans is to select one of the schools, colleges or divisions listed above. Then select the department or program listed under the school, college or division's name in the right navigation panel.
