

Physics, B.S./M.S.

The five-year Bachelor of Science in Physics and Master of Science in Physics is a combined program within the College of Science and Technology. This program allows a talented student to obtain both a bachelor's and a master's degree in five years. A physics major may apply for the program during the junior or senior year. Please consult the advisor for details. For more information, see the following program pages: Physics B.S. (<http://bulletin.temple.edu/undergraduate/science-technology/physics/physics-bs>) and Physics M.S. (<http://bulletin.temple.edu/graduate/scd/cst/physics-ms>)
