Environmental Professional Training Certificate

Overview

Offered by the Department of Earth and Environmental Science, the **Certificate in Environmental Professional Training** is designed to provide Geology and Environmental Science majors or continuing education students holding similar degrees with additional skills that will help them prepare for work in environmental consulting.

Campus Location: Main

Program Code: ST-EPT-CERT

Undergraduate Contact Information

Nicholas Davatzes, Chair Beury Hall, Room 307 215-204-2319 davatzes@temple.edu

Allison Tumarkin-Deratzian, Vice Chair Beury Hall, Room 308 215-204-2321 altd@temple.edu

Laura Toran, Faculty Advisor Beury Hall, Room 223 215-204-2352 Itoran@temple.edu

Certificate Requirements

Prerequisites

Students desiring a Certificate in Environmental Professional Training must have already completed the following or have equivalent industry experience:

Title	Credit Hours
	4
General Chemistry I and General Chemistry Laboratory I	
Honors General Chemical Science I and Honors Chemical Science Laboratory I (F)	
	4
General Chemistry II and General Chemistry Laboratory II	
Honors General Chemical Science II and Honors Chemical Science Laboratory II (S)	
Physical Geology	4
Sedimentary Environments	4
	4
Groundwater Hydrology (S)	
Physical Hydrology (F)	
Precalculus	4
	General Chemistry I and General Chemistry Laboratory I Honors General Chemical Science I and Honors Chemical Science Laboratory I (F) General Chemistry II and General Chemistry Laboratory II Honors General Chemical Science II and Honors Chemical Science II and Honors Chemical Science II and Honors Chemical Science Laboratory II (S) Physical Geology Sedimentary Environments Groundwater Hydrology (S) Physical Hydrology (F)

Required Courses

Students desiring a Certificate in Environmental Professional Training must complete the following courses:

2 Environmental Professional Training Certificate

Code	Title	Credit Hours
EES 2031	Introduction to Field Methods in the Earth and Environmental Sciences	1
ENVS 3027	HAZWOPER Training and the Regulatory Environment	3
Select two of the following: ¹		6-8
EES 2061	Introduction to Geochemistry	
EES 2067	Introduction to Environmental Toxicology	
EES 3011	Remote Sensing and GIS	
EES 3021	Groundwater Hydrology	
EES 3025	Physical Hydrology	
EES 3065	Nanoscience & the Environment	
EES 4502	Ice and Global Climate	
EES 5454	Introduction to Geophysics	
Total Credit Hours		10-12

1

Majors are required to take either EES 3021 Groundwater Hydrology or EES 3025 Physical Hydrology. For the certificate, only one such course will be counted for these majors (i.e., if the student takes both courses, only one will be counted toward the certificate). For non-majors, both courses can count.

Residency Requirements: At least 2 courses required for the certificate must be completed at Temple.
