## Fraternity and Sorority Life

Through fraternity or sorority involvement, students gain an opportunity for empowering one another, engaging with our community, exploring our identities, ensuring health and safety, and enhancing the co-curricular experience. The creeds and rituals that guide each individual organization are based on values that foster an understanding of community and social responsibility. Each chapter falls under the umbrella of the Interfraternity Council, the Multicultural Greek Council, the National Pan-Hellenic Council, and the College Panhellenic.

Student Leadership and Engagement serves as a liaison between recognized fraternities and sororities and the greater Temple University community. We are dedicated to the holistic development of students throughout their fraternal experience and welcome you to explore the possibilities offered by involvement in fraternity and sorority life at Temple University.

Students interested in participating are encouraged to apply in the fall semester for our programs that take place in the spring semester.

## Clifton Strengths

Our CliftonStrengths programming encourages students to reach their full potential through helping them identify, understand, and apply their Strengths. CliftonStrengths stems from a growth mindset, encouraging students to develop their strengths rather than focusing on their weaknesses. Gallup's CliftonStrengths Assessment is a 45-minute web-based assessment that measures natural patterns of thinking, feeling and behaving, which indicate an individual's Top Five talents out of a list of 34. This assessment provides the knowledge and vocabulary to describe an individual's strengths and the areas in which they excel. Our role is to help students further understand their top five strengths and how they can play out in their day-to-day life. Through this exploration, we can be intentional in investing in our strengths and using this knowledge to better ourselves and the world. For more information, reach out to [studentactivities@temple.edu](mailto:studentactivities@temple.edu).
