

# Environmental Horticulture Minor

## Overview

The **Minor in Environmental Horticulture**, offered by the Department of Architecture and Environmental Design (AED), is available to all undergraduate matriculating Temple University students. Students complete courses related to horticultural concepts and practices which allow them to develop an understanding of the science and practice of protecting, restoring, and managing existing and natural landscape resources.

The curriculum involves 18 credits, with two required courses and at least four elective courses. The required courses give students a solid basis for understanding the fundamentals of horticulture, botany, and plant identification. The electives allow students to explore their own interests in different facets of horticulture, including soils, plantscaping and food crops. The majority of courses are offered on the Ambler Campus.

The coursework completed for the minor allows students the opportunity to consider pursuing a graduate-level degree in Landscape Architecture.

**Campus Location:** Ambler

## Requirements

Students must earn a minimum grade of C- in courses satisfying minor requirements and must have a minimum 2.0 grade point average in the required 18 credits to earn the minor.

- A student may not double count any course for the Minor in Environmental Horticulture toward any other major, minor, or certificate.
- At least half of the courses for the minor must be taken at Temple University.
- Courses for the minor must be completed prior to graduation.

Code	Title	Credit Hours
Note: The symbol after the course title indicates that the class is offered ONLY in the semester indicated.		
(F) = offered fall only		
(FE) = offered fall of even numbered years		
(FO) = offered fall of odd numbered years		
(S) = offered spring only		
(SE) = offered spring of even numbered years		
(SO) = offered spring of odd numbered years		
(O) = offered occasionally		

Code	Title	Credit Hours
<b>Required</b>		
HORT 1001	Fundamentals of Horticulture	2
HORT 2324	Plant Propagation (S)	3
<b>Electives</b>		
Select a minimum of 13 credit hours from the following:		13
BOT 1111	General Botany (F)	
BOT 1112	Plant Ecology (S)	
HORT 1211	Woody Plants I (F)	
HORT 1212	Woody Plants II (S)	
HORT 2114	Soils (S) <sup>1</sup>	
HORT 2221	Herbaceous Plants I (F)	

HORT 2222	Herbaceous Plants II (S)
HORT 2256	Interior Plantscaping (O)
HORT 2334	Food Crops I (S)
HORT 2353	Food Crops II (O)
HORT 2366	Nursery Operation, Management, and Production Techniques (O) <sup>1</sup>
HORT 2552	Trees in the Urban Landscape (S)
